

Dear Chao-Fu Chen, Hui-Ju Wu, Yu-Shih Wang, and Soun-Cheng Wang,

We're pleased to inform you that your final abstract has been **approved** for the 9th Asian Society of Sports Biomechanics (ASSB 2023) & SAT International Conference on Sports Science (ICSS), 30 August – 1 September 2023 in Thailand. Please find the following details regarding your presentation below:

Type of presentation: Oral presentation

Date: To be announced

Time: To be announced

The details on presentation formatting can be found on website:

<https://ss.mahidol.ac.th/th/index.php/th/paper-guide-assb-2023>

Should you be interested in submitting the full proceedings of your paper, please let us know on or before 1 September 2023 so that we can include your submission in the conference proceedings. We would greatly appreciate it if you could adhere to the guidelines for the submission of full proceedings in the link above or in the file attached to this email.

We've made every effort to provide you with the best possible scientific programme. Visit the Invited Programme and the congress website for up-to-date information.

The registration deadline for presenting authors is **15 June 2023**. **Early bird registration** is available until 31 May 2023. Please register via website: <https://ss.mahidol.ac.th/th/index.php/th/registration-assb-2023/for-register>. To confirm your presence for the (oral/poster presentation), please settle your fees on our before the registration deadline.

Please note, authors who have not paid their registration fees by 15 June 2023 will be withdrawn from the congress and will not have the opportunity to present. In addition, these authors will be automatically removed from the final programme and book of abstracts.

We look forward to welcoming you to Thailand!

Yours sincerely,

Weerawat "Wat" Limroongreungrat PhD, PT
