To whom it may concern:

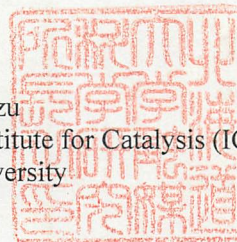

We are pleased to host Dr. Qingyu Wang as a foreign visiting scientist in Division of Macromolecular Science, Department of Fundamental Research which Professor Tamaki Nakano supervises at Institute for Catalysis, Hokkaido University from August 2025 through October 2025 provided that he is financially supported by Huaibei Normal University through International Academic Exchange program for all costs of his travels between China and Japan and his stay at Hokkaido University. During his stay, he would be invited to conduct experimental research work aiming at novel, chiral structures of macromolecules.

Sincerely,

Tamaki Nakano

致相关人士：

本人非常荣幸地邀请王庆宇博士作为外国访问学者，于 2025 年 8 月至 2025 年 10 月期间到访北海道大学催化研究所我所负责的基础研究部高分子科学研究室。前提是其在此期间费用由淮北市师范大学通过国际学术交流项目提供支持。

在其访问期间，我们将邀请他开展以新型手性高分子结构为目标的实验研究工作。
