

5th International Symposium on Energy and Environmental Photocatalytic Materials (EEPM-5)

Kuala Lumpur, Malaysia
3 – 6 November 2025

Invitation to the 5th International Symposium on Energy and Environmental Photocatalytic Materials (EEPM-5)

Dear Prof. Jinfeng Zhang,

On behalf of the organizing committee, it is with great pleasure that we invite you to the **5th International Symposium on Energy and Environmental Photocatalytic Materials (EEPM-5)**, which will take place from **3rd to 6th November 2025** at the **Concorde Hotel, Kuala Lumpur, Malaysia**.

The symposium serves as a premier platform for researchers, industry experts, and academics to discuss the latest advancements in photocatalysis and photoelectrocatalysis, highlighting their critical roles in addressing global energy and environmental challenges. The event will feature plenary lectures, keynote addresses, oral presentations, and poster sessions, offering a comprehensive overview of current research trends and technological innovations. We believe your participation will contribute significantly to the exchange of knowledge and fostering collaborations in this important field.

Please note the following details for your participation:

Name of Participant: Prof. Jinfeng Zhang

Organization: Huaibei Normal University

Conference Dates: 3rd – 6th November 2025

Location: Concorde Hotel, Kuala Lumpur, Malaysia

Please note that accommodation is not provided, and participants are kindly requested to make their own arrangements for accommodation and meals beyond the scheduled conference activities.

We look forward to your participation in EEPM-5.

Best regards,

Prof. Siang-Piao Chai

Co-Chairs, EEPM-5
