

"Seaweeds:  
From Tradition  
to Innovation!"

**ISS 2019**

**23<sup>rd</sup> International  
Seaweed Symposium**

April 28 (Sun) – May 3 (Fri), 2019 International Convention Center, Jeju, Korea

**Chunxiang Liu**

Huaibei Normal University, Anhui, China  
China

Dear Dr. Chunxiang Liu,

On behalf of the National Organizing Committee of the 23<sup>rd</sup> International Seaweed Symposium, I am pleased to invite you to attend ISS 2019 which will take place on April 28 - May 3, 2019 at the International Convention Center (ICC) in Jeju, Korea.

Under the theme "Seaweeds: From Tradition to Innovation", ISS 2019 will be a valuable opportunity for attendees to share their results of the latest research as well as to revitalize communication and collaborations with colleagues from all over the world.

We also prepare Wando Seaweed Farm Tour as a Pre-symposium Tour on April 27 - 28, 2019 for those who would like to visit the biggest Gim production area as known as Seaweed heaven in Korea where you can fully experience the charms of Wando with its heavenly seafood fresh from the sea to enjoy healthy and happy lives.

Our goal is to bring scientists all of the world to present and exchange break-through ideas relating to taxonomy, biodiversity, climate change, marine ecology, genomics, seaweed aquaculture, and industrial applications of seaweed.

I'm looking forward to welcoming you at ISS 2019 in Jeju.

Sincerely,

**Jeong Ha Kim, Ph.D.**

Chair, ISS 2019 National Organizing Committee  
President, The Korean Society of Phycology  
Professor, Sungkyunkwan University

Hosted by

The Korean  
Society of Phycology
