Subject: Cooperation in FNIRS experimental research

I am Dr Roger Ho, Associate Professor of Department of Psychological Medicine, Yong Loo Lin School of Medicine, National University of Singapore and Principal Investigator, Biomedical Institute of Global Health Research and Technology. My sincere invitation is for the research team including Dr. Zhang min, Dr. Deng huan and Dr. Lin hongchun to visit our university from June 17 to 21 and cooperate in the experimental research.

The schedule is as follows:

Venue: MD 6, Yong Loo Lin School of Medicine, National University of Singapore
June 17, 9:00am: Meet at Ground level of MD 6 (Walking distance from Kent Ridge MRT station).
June 17, 9:30-12:00 am: Visit laboratory and receive FNIRS equipment training.
June 17, 2:00-5:00 pm: Hold a research team meeting to discuss the experimental scheme.
June 18-20, 9:00am -5:00 pm: A series of FNIRS experiments were carried out.
June 21, 9:00-12:00 am: The data analysis.
June 21, 2:00-4:00 pm: Hold the research team meeting to discuss the experimental results and discuss the follow-up cooperation.
June 21, 4:00-5:00 pm: Group Photo at the National University of Singapore.

Yours sincerely

Dr Roger Ho
Associate Professor
