Dear Professor Chen:

It is my great pleasure to invite you to visit the Department of Mathematics at the University of Texas at Arlington as a visiting professor for one year, approximately from August 1, 2019 to July 31, 2020. We will provide you with office space and access to computing facilities, and internet connection during your visit. We will also make arrangements for you to present seminars and to interact with our faculty and graduate students in our department. You will be expected to collaborate and participate in joint research projects with me and other faculty in our department.

I understand that you will apply for financial support from your university to cover your travel costs and living expenses at the University of Texas at Arlington. I very much look forward to your visit and potential collaborations with you. Please do not hesitate to let me know if I can be of any further assistance to facilitate your visit.

Sincerely Yours,

Ren-Cang Li, Ph.D.

Professor of Mathematics
