Invitation Letter

Dear Madam or Sir,

I would like to invite the following person to Vechta University from 16th to 30th November 2019 as a guest lecturer and researcher as part of the VANTE-Project (Vechta-Anhui Network of Teacher Education):

- Feng Jianmin, Assistant Professor, Assistant Dean, School of Education, Huaibei Normal University (born on 08-20-1982)

At the University of Vechta we especially welcome this guest because of the partnership between the German State Lower Saxony and the Chinese Province Anhui since 1984. The exchange is part of this ever closer relationship.

The cost for transport and accommodation (incl. breakfast) during the stay will be covered by the funding from the VANTE – Project, located at the University of Vechta, financed by the State Chancellery of Lower Saxony . During the visit he will be staying at the “M24 Boardinghouse” (address: Münsterstr. 24, 49377 Vechta, phone +49 4441 9136391, website: <https://www.m24-vechta.de/>). I am looking forward to his visit and wish him a pleasant journey.

Should you have any further questions please do not hesitate to contact me.

Kind regards

Prof.'in Dr. Frederike Bartels
